One of the main objectives of the NYC cruise program is to have fun, and most especially to enjoy the camaraderie of others..... so please check your calendar and pencil in these dates. I would also appreciate if you would help spread the word about our upcoming year on the water. This schedule may change due to just about anything, thus I would advise those who wish to be on the NYC cruising e-mail list to let me know (a separate cruising group list). I will be using this list to keep cruisers current with any changes or misc tidbits of info. Most of our cruises will be of the pot-luck variety and generally begin with Happy Hour about 4:00pm followed by dinner or heavy hors oeuvres. However, I am confident the pork tenderloin a la host boat will appear on occasion.

Sweet sailing and soft bottoms.....Joanne Matthews, Cruise Director 492-8323 j2matthews@cox.net
